Glenn Gayer, HOST, Class of ‘54

For the past several years, the Champions Club (formerly MC Athletic Booster Club) has sponsored a golf tournament the Friday of Homecoming weekend, but we are excited about moving the tournament to an earlier Fall date. This change will provide us with the opportunity to expand this, our major fund-raising event. The change will allow us to avoid some of the hustle and bustle of the packed Homecoming weekend schedule, plus give us the likelihood of better, more predictable weather. It’s nice that the weekend kicks off with a Friday evening reception and ends with a Saturday evening football game. The new format for the Champions Club Open will allow more students as well as parents and MC boosters to enjoy a morning of golf on one of the top courses in Kansas while supporting McPherson College athletics. We hope you will join us at Turkey Creek Golf Course on September 26th.

Thank you to our sponsors
